FLOURISHING RESOURCES INFORMATIONAL TRAINING

The Flourishing Resource Informational Training is now being offered online. This training helps you to assess and understand ECO's ministry and church resources as well as apply this knowledge to your current or upcoming ministry call. This training will also teach you how to access the various resources that ECO has to offer.

Enroll anytime for the online Flourishing Resource Informational Training at <https://www.flourishmovement.org/courses/preview/FRIT/>

Cost: Free

Course work includes:

- Watching a 40-minute training video, presented by ECO's Synod Staff
- Familiarizing yourself with the Flourishing Resource Informational Resource document
- Filling out Completion Survey: As the final step to completing this training, please fill out the survey called "Completion Survey" on the tab to the left. If you are a Certified Transitional Pastor in the certification process, you will need to complete this survey before we can add this training as "complete" to your transitional pastor profile.
